

Freedom means making  
your own choices.

You will take back what's  
yours with Fire and Blood.

When you play the game  
of thrones, you win or die.

We make peace with our  
enemies, not our friends.

Zaldrizes buzdari  
ikšos daor.

A mind needs books as a  
sword needs a whetstone.

Everything's better with  
some wine in the belly.

There are no heroes.  
In life, the monsters win.

The night is dark and  
full of terrors.

Laughter is poison to fear.

Chaos isn't a pit.  
Chaos is a ladder.

To touch the light you must  
pass beneath the shadow.

A man without friends is  
a man without power.

Burn them all.

Never forget what you are.  
Wear it like armour.

Valar Morghulis.

Fear cuts deeper than  
swords.

Hodor.

Death by fire is the purest  
form of death.

There is only one hell -  
the one we live in now.

Dragons are fire made  
flesh, and fire is power.

To go north, you must  
journey south.

Winter is coming.

Power resides where  
men believe it resides.
